Remarks

This amendment is responsive to the Office Action dated July 26, 2006.

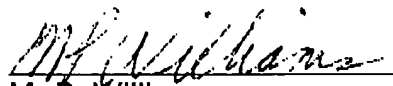

Claims 1-4 and 9-12 are rejected on art. These claims have been cancelled without prejudice.

Allowance of claims 6-8 is noted with gratitude.

Claims 1-5 and 9-12 are rejected as indefinite for ambivalence about fuel cell power plant and for failing to define the material that freezes. Claim 5 is amended in lines 1 and 2 to emphatically recite a fuel cell power plant and in lines 4 and 16 to refer to water. Claims 1-4 and 9-12 have been cancelled. Therefore, allowance of claim 5 and passing claims 5-8 to issue is respectfully requested.

To save the Examiner considerable time when this case is taken up, a short phone call is recommended should any issue herein still be unresolved. A few minutes on the phone could clarify a point, or result in a supplemental response which would further limit or dispose of issues. A five minute phone call can save the Examiner a lot of work. Such a phone call would be deeply appreciated.

Respectfully submitted,

M. P. Williams
